CANAIGRE A SECCESS.

The New Tanning Material to be General ly Used. (Santa Fe New Maxican.)

Last Saturday Mr. W. F. Shedd, of San Augustine, was in Las Cruces and called at the Republican office to exhibit a piece of fine leather tanned by the use of canaigre root. Mr. Shedd has been engaged for a number of years in an effort to introduce this valuable material and now his efforts are about to be rewarded. He has succeeded in getting Chicago parties interested and a company has been formed, who, after thoroughly testing it, now order a shipment of twenty-six tons to be shipped to Chicago, one-half ton to go Bremen. fermany, and one-half to New York City. In addition to this all the principal tanneries in the east are being sent packages to be tested.
